Dear Local Merchant/Manager:

We are writing to request a donation to our **Annual Fundraising Dinner** on Friday March 18 from 6-8pm, at our gymnasium. The Parent Teacher Student Association (a non profit 501 3(c) organization) for Raoul Wallenberg High School (a public high school in San Francisco) helps support one of the school's core missions, which is to empower all students to achieve academic success and thrive as 21st century citizens.

Dedicated parents plan this fundraising event, donating countless hours and immeasurable energy to support our school. But we cannot do this alone. We are hoping that you will consider being a supporter of our school's largest fundraiser, as we rely on this fundraiser to support our students. At the start of the school year, we made goals to raise funds for technology. These include, but are not limited to, updating obsolete computers, Elmo and digital projectors, Classroom Boards, LED digital message boards, library equipment, and other supplies.

There are a few ways you can help. You can make a donation in the form of goods or services, or you can make a cash donation to underwrite some of our event expenses. All donations and sponsorships are welcome and appreciated. Because this is a spring event, we request that donations be valid through March 31, 2017, if possible. Enclosed is a donor form that should accompany each donation.

As a token of our appreciation for your support, we would like to publicly acknowledge your generosity in the event program. All donations are tax deductible, Tax ID: 94-2787358.

On behalf of our parents, teachers, and students, thank you very much for your consideration of this request. Please don't hesitate to contact Sara Phillips-Ritchey with any questions. We look forward to hearing from you and including you in our special event.

Very Truly Yours,

Sara Phillips-Ritchey
